Thurs. Period 5 (11:45AM-12:35PM)
L007 Turlington Hall

Office hours: On ZOOM or in-person by appointment only. Simply email me at geranium@ufl.edu – in that message please tell me your schedule of availability and I will look at mine and get back to you promptly with a time to meet.

Summary of Course: Plants, Gardening & You is a non-majors course that provides an overview of current trends and opportunities in the field of horticulture and plant science. Emphasis is placed on students gaining an enhanced awareness of the plants around them, where they come from, and why they are important to man.

Grading scale:

448-500	A	348-382	C
433-447	B+	333-347	D+
398-432	B	298-332	D
383-397	C+	<297	E

Grading: 500 TOTAL POINTS

Quizzes: 400 points (4 quizzes x 100 points ea.)

Out of Class Project: 100 points

Quizzes: Each of the four quizzes will consist of 20 multiple choice questions on paper with no outside resources. They will be taken during the last 15 minutes of class after a short lecture – the lecture that day will not be on the quiz. Quiz 1 is on 9/11/2025; Quiz 2 is on 10/2/2025; Quiz 3 is on 10/23/2025; Quiz 4 is on 11/20/2025.

Makeup Policy: If you miss a quiz, you will need a valid excuse to be able to take a make-up quiz. All make-up quizzes must be taken within 1 week of the original quiz date. If you have no valid excuse, or fail to take the make-up within 1 week, you will receive a “0”. No one will be allowed to take the final exam outside of the designated periods without at least one week prior notice.

Lectures and Attendance: This course will be taught live and in-person. **Attendance is neither required nor evaluated, but it is highly encouraged.** If you miss class, you should try and make a friend who is smart and will share their notes.

Use of Canvas: Powerpoint slides will be made available on Canvas for Dr. Clark’s lectures, but not for Guest Lectures. It will also be used for students to submit extra credit and out of class assignments, and for posting grades and occasional announcements.

Materials & Supplies Fees: There is a \$25 fee for plants and supplies related to this course. Select plants, seeds and supplies will be provided to students throughout the semester.

Out of Class Project: The purpose of this assignment is to help you look closely at the plants around you from a creative point of view. Students are advised to begin this project as early as possible in the semester to assure they have enough time to complete it (described below). The project is due on 11/21/2024 at 11:59pm – late submissions will not be accepted – no exceptions.

Extra Credit: There will be three opportunities for out-of-class extra credit throughout the semester. Each extra credit opportunity is optional and is worth 5 points added to your final point total (described below). All extra credits are due on 11/20/2025 at 11:59pm – late submissions will not be accepted – no exceptions.

Bring a friend to class and raise your final grade: We encourage your help spread the word about this class. You are welcome to bring a friend to class during any class period except the day of the final exam. If you do, you will receive 10 points added to your final point total. **Students bringing friends are required to come to class early enough to introduce them to Dr. Clark before the start of lecture to obtain credit.** You are only allowed to receive 10 points, but you can bring as many friends as you want.

Course Decorum: Students are expected to arrive to class on time and behave in a manner that is respectful to the instructor and to fellow students. Please avoid the use of cell phones and restrict eating to outside of the classroom. Opinions held by other students should be respected in discussion, and conversations that do not contribute to the discussion should be held at minimum, if at all.

Academic Honesty: UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (<https://www.dso.ufl.edu/sccr/process/student-conductiononor-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

Software Use:

All faculty, staff and students of the university are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Such violations are also against university policies and rules, disciplinary action will be taken as appropriate.

Social Media Use:

I encourage students to discuss class material and share notes and the Teaching Assistants will host a GroupMe for the class. HOWEVER – we have had problems with students using these resources to cheat on class projects and extra credit opportunities. This type of behavior will not be tolerated, so please be honest. Violations will be reported to the Dean of Students Office for consideration of disciplinary action.

Campus Helping Resources: Students experiencing crises or personal problems that interfere with their general well-being are encouraged to utilize the university’s counseling resources.

Students Requiring Accommodations: Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center by visiting <https://disability.ufl.edu/students/get-started/>. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

Course Evaluation: Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at gatorevals.aa.ufl.edu/students/. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via ufl.bluer.com/ufl/. Summaries of course evaluation results are available to students at gatorevals.aa.ufl.edu/public-results/.
