

Registration Form

Environmental Horticulture Departmentally Controlled

You must be registered before the Drop/Add period begins or you will be assessed a \$100.00 late fee when you are registered.

INSTRUCTIONS

1. The student reviews the registration instructions and discusses course options and program of study with the primary advisor.
2. The student completes all of the information requested on this form (typed) electronically. The student sends filled in form to advisor who signs and dates the form (digital or typed) and sends back to student.
3. The student sends the completed form to the **Graduate Program Assistant in Room 1519 Fifield Hall.** (Be sure to save the form to your desktop before sending so that the data is saved.)
4. You will be registered into the proper section of a course, and the registration form will be filed in the Graduate Program office. You will receive a confirmation of your registration.
5. **It is your responsibility to follow up and check in one.ufl.edu before the start of the semester to see that you have been properly registered.**
