Undergraduate/MS program				A=
University of Florida Grad program				A=

Extracurricular activities:

Work experience or internships in your field of study:

Some of our scholarships require a day trip to meet the scholarship donor. You will be accompanied on this trip by a Department member, who will also do the driving. This trip will take place on a weekday during the semester, and therefore you will most likely miss your classes that day. We can provide you a letter from the Department to give to your professors asking that you be given an excused absence for classes that day, however it is up to your professors whether they wish to honor this request or not. Please indicate below if you would like to be considered for these scholarships or not.

Yes _____

No _____

Expenses and income: Although financial need is not the sole basis for scholarship award decisions, it is considered in the overall evaluation of the applicant. Please list your anticipated annual income and expenses for the upcoming school year using the following chart. If additional space is needed, attach another page.
